70/70 Outdoor Table

By Muuto

Description

The 70/70 Outdoor Table offers a simple, timeless expression with understated details that reveal themselves upon closer inspection. The wooden tabletop is crafted from planks of FSC-certified sapele mahogany, a durable hardwood suitable for outdoor use. Over time, the wood's red-brown hue will gradually take on a greyish patina for a rich, weathered look. The table is supported by durable powder-coated aluminum legs.
