Avior Tunable Touchless LED Mirror By Oxygen

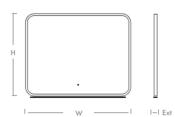

Description

Designed with precision and sophistication in Italy, the Avior Tunable Touchless LED Mirror is a true work of art. With a hands-free infrared sensor, operating the mirror is as simple as a wave of your hand. Turn it on or off, adjust the brightness, and select your desired color temperature from 3000K-6000K by using the motion sensor.

Shown in matte black / mirror
