Del Playa Stem Pendant

By Roll & Hill

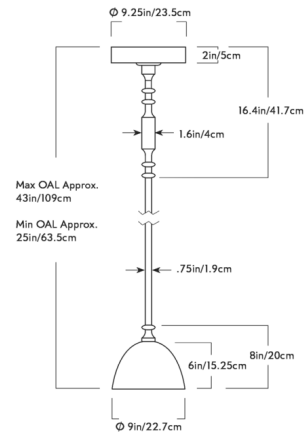

Description

The Del Playa Stem Pendant's turned wood structure and bone china ceramic shade were inspired by designer Jessica Helgerson's childhood spent on the beaches of Santa Barbara, California. While the pairing of materials and decorative elements evoke 1970s coastal design, Del Playa will add a warm, casual touch to any interior. Includes 35 inch downrod which can be cut to length on site.

Shown in white oak / bone china
