Rue Sala Ceiling Light

By Roll & Hill

Description

The Rue Sala Ceiling Light was inspired by the summers designer Jessica Helgerson spent at her ancestral home in Lyon, France. The home's elegant Louis XIV furniture and bronze statues inform the fixture's turned metal stem which is rich with decorative detail. A rounded glass diffuser houses an integrated LED to provide warm, ambient light. Unlacquered Brass is a living finish, meaning it will darken and patina over time. Polishing will restore the sheen if desired.
