Rue Sala Pendant

By Roll & Hill

Description

The Rue Sala Pendant was inspired by the summers designer Jessica Helgersen spent at her ancestral home in Lyon, France. The home's elegant Louis XIV furniture and bronze statues inform the pendant's turned metal frame which is rich with decorative detail. A glass diffuser with an integrated LED caps the pendant to provide pleasant illumination. Unlacquered Brass is a living finish, meaning it will darken and patina over time. Polishing will restore the sheen if desired. Overall height is not adjustable.
