Rue Sala Wall Sconce

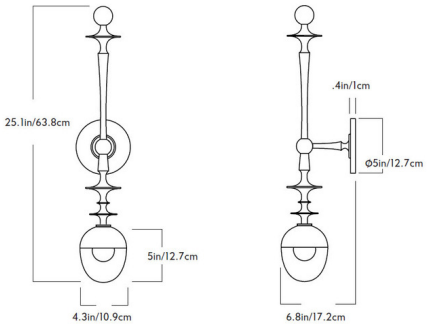

By Roll & Hill

Description

The Rue Sala Wall Sconce was inspired by the summers designer Jessica Helgerson spent at her ancestral home in Lyon, France. The home's elegant Louis XIV furniture and bronze statues inform the sconce's turned metal stem which is rich with decorative detail. The arm supports a rounded glass diffuser for a look reminiscent of a candlelit torchiere sconce.Unlacquered Brass is a living finish, meaning it will darken and patina over time. Polishing will restore the sheen if desired.
