Rib Outdoor Daybed Lounger By Sibast Furniture

Description

The Rib Outdoor Daybed Lounger features a refined silhouette crafted from teak wood for a timeless look that will complement any outdoor space. The daybed's seat and back are crafted from wooden slats for an open, airy aesthetic, and the teak wood possesses a naturally high oil content making it resistant to the elements. The back can be tilted up for lounging or laid flat for sunbathing or napping. Rib's meticulous craftsmanship and minimalist form pay homage to the Golden Age of Danish design and carry on the tradition for a new era.
