Rib Outdoor Bar Table By Sibast Furniture

Description

The Rib Outdoor Bar Table features a refined silhouette crafted from teak wood for a timeless look that will complement any outdoor space. The table's rectangular tabletop is crafted from wooden slats for an open, airy aesthetic, and the teak wood possesses a naturally high oil content making it resistant to the elements. A stainless steel shelf serves as a handy spot to store essentials for an outdoor party. Rib's meticulous craftsmanship and minimalist form pay homage to the Golden Age of Danish design and carry on the tradition for a new era.
