Rib Outdoor Ottoman

By Sibast Furniture

Description

The Rib Outdoor Ottoman features a refined silhouette crafted from teak wood for a timeless look that will complement any outdoor space. The ottoman's square top is crafted from wooden slats for an open, airy aesthetic, and the teak wood possesses a naturally high oil content making it resistant to the elements. Rib's meticulous craftsmanship and minimalist form pay homage to the Golden Age of Danish design and carry on the tradition for a new era. The ottoman can be used on its own as an extra seat, coffee table, or footrest, or paired with an optional cushion (sold separately) and incorporated into the Rib Outdoor Modular Sofa.

Shown in teak wood
