Rib Outdoor Cafe Table

By Sibast Furniture

Description

The Rib Outdoor Cafe Table features a refined silhouette crafted from teak wood for a timeless look that will complement any outdoor space. The table's circular tabletop and columnar base are crafted from wooden slats for an open, airy aesthetic, and the teak wood possesses a naturally high oil content making it resistant to the elements. Rib's meticulous craftsmanship and minimalist form pay homage to the Golden Age of Danish design and carry on the tradition for a new era. Available with a metal disc base or wooden star base.
