## Rib Outdoor Dining Table

By Sibast Furniture

### Description

The Rib Outdoor Dining Table features a refined silhouette crafted from teak wood for a timeless look that will complement any outdoor space. The table's square or rectangular tabletop is crafted from wooden slats for an open, airy aesthetic, and the teak wood possesses a naturally high oil content making it resistant to the elements. Rib's meticulous craftsmanship and minimalist form pay homage to the Golden Age of Danish design and carry on the tradition for a new era.
