No. 7 Wooden Lounge Table

By Sibast Furniture

Description

Inspired by Helge Sibast's classic No. 7 Chair from 1953, the No. 7 Lounge Table features the same organic curves that made the original chair an icon of mid-century Danish design. The table's base is formed by two rounded sections of wood veneer for a unique look, and it is capped by a solid oak tabletop to showcase the beautiful natural texture of wood grain.

Shown in white oiled oak
