No. 2 Dining Table

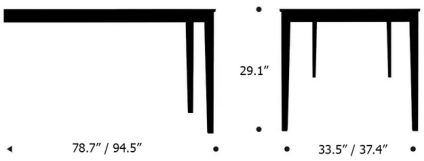

By Sibast Furniture

Description

The No. 2 Dining Table was inspired by Helge Sibast's belief that chairs should be placed beside a table, not hidden beneath it. To fulfill this requirement, the table features a simple and refined silhouette with a slim tabletop and narrow legs creating ample space to view the chairs when they are tucked beneath it. The table is crafted from solid oak, showcasing the beautiful natural texture of wood grain.

Shown in dark oiled oak
