No. 7 Glass Top Lounge Table

By Sibast Furniture

Description

Inspired by Helge Sibast's classic No. 7 Chair from 1953, the No. 7 Lounge Table features the same organic curves that made the original chair an icon of mid-century Danish design. The table's base is formed by two rounded sections of wood veneer, which can be placed towards each other in various ways to create unique configurations. The glass tabletop provides an elegant visual contrast to the base's bold expression and emphasizes the table's fluid form.
