No. 1 Side Table

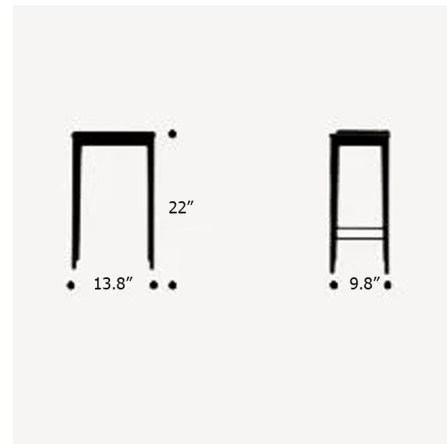

By Sibast Furniture

Description

The No. 1 Side Table was originally created by Helge Sibast in the late 1950s as a gift to his wife. For many years only three of these bespoke pieces existed as treasured heirlooms of the Sibast family, until Anna and Ditlev Sibast, the current owners of the family-run company, decided to reissue this classic design for the modern market. This minimalist side table features an oak frame accented by a black glass or white marble tabletop, and its simple but elegant expression will complement any interior.
