No. 11 Sideboard

By Sibast Furniture

Description

The No. 11 Sideboard was originally designed in 1957 by Arne Vodder, an influential Danish designer who helped popularize the Danish Modern style internationally. This stylish sideboard features a simple rectangular shape clad in oak or walnut veneer, which showcases the natural beauty of wood grain. Each sideboard includes reversible doors which feature a colored laminate surface on one side and wood on the other, allowing for easy customization to match the decor.
