Locket Multi Light Pendant

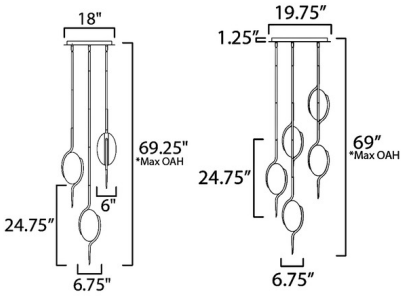

By Studio M

Description

The alluring visual effect of a milky cloud marble glass provides elegant luminosity in the Locket Multi Light Pendant. Backlit with evenly diffused LED lighting the fixture resonates like a vibrant musical note. The fixture is elongated with vertical metal spikes finished in Natural Aged Brass that hug the glass' shape as they extend in both directions. An embodiment of lighting as a jewel, the Locket evokes both the opulence and sentimentality of designer accessories.
