Locket Wall Light

By Studio M

Description

The alluring visual effect of a milky cloud marble glass provides elegant luminosity in the Locket Wall Light. Backlit with evenly diffused LED lighting the fixture resonates like a vibrant musical note. The fixture is elongated with a vertical metal spike finished in Natural Aged Brass that hugs the glass' shape as it extends in both directions. An embodiment of lighting as a jewel, the Locket evokes both the opulence and sentimentality of designer accessories.
