Medallion Round Wall/ Ceiling Light

By Studio M

Description

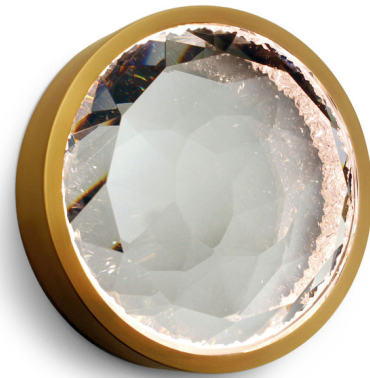

Classic diamond facets were the concept behind the crystal shade in the Medallion Round Wall/ Ceiling Light. Just like a Medallion, it can be installed on the wall with ADA compliant extensions or onto your ceiling adding opulence to your space. The indirect LED light source is sealed within an irregularly faceted diffuser and a polished back plate creates a dazzling reflective display. The frame is finished in a burnished Gold with a neutral, warm 3000k color temperature.
