Gusto Wall Sconce

By Studio M

Description

The futuristic capsule that is the Gusto Wall Sconce, designed by Cesar Giraldo, features artisanal hand-blown glass elements gradient of smoked grey and warm amber tones. The glasses' hand-crafted dimples refract dedicated LED lighting that highlights an undulating silhouette throughout the fixture. Diffused evenly across a thin tube of white acrylic encased within a larger vacuum of clear glass, the airy compositions appear to be floating while amply filling spaces. Can be mounted vertically or horizontally. Dimmable via Triac, electronic low voltage (ELV) or 0-10V dimming. Good Design Award winner.

Specifications

COLOR Clear
BODY FINISH Gold
WATTAGE 14W
DIMMER Low Voltage Electronic
DIMENSIONS 5.5"W x 25"H x 4"D
INTEGRATED LED MODULE 2 x LED/7W/120-277V LED

Technical Information

PRODUCT DIMENSIONS Backplate: 5.5"W x 25"H
LAMP LIFE 30000 hours
COLOR RENDERING 90 CRI
LAMP COLOR 3000K
LUMENS/WATT 42.86
LUMINOUS FLUX 300 lumens

Shown in gold / clear
