Artopia Rug

By Toulemonde Bochart

Description

Immerse yourself in the world of the Artopia Area Rug, a masterpiece imagined by the illustrious Florence Bourel. This multicolored hand-tufted patterned wool rug is undoubtedly the most intimate and artistic expression of her creations. It's reminiscent of a painter's easel, with abstract silhouettes mingling casually against a putty backdrop. The bright hues breathe life into this rug, creating a work that intrigues and takes the mind on a journey. With its fully looped tufting, Artopia presents a velvet with a distinct feel and a retro look, appealing to connoisseurs.
