Buenos Aires Wall Sconce

By Corbett Lighting

Description

A classic sconce design with a mid-century twist that brings a dose of vintage glamor to modern interiors in the Buenos Aires Wall Sconce. Its slender, elongated stem draws inspiration from botanical forms, blossoming into a distinctive double-layer inverted cone. The Vintage Brass finish completes the sconce with a bold, luxurious flourish. Note: This fixture does not mount to a standard junction box - a 2x4 inch junction box is required.
