2X4 Leather Linear Pendant

By AlexAllen Studio

Description

The 2x4 Leather Linear Pendant celebrates the minimal and ordinary with its silhouette inspired by most common piece of dimensional lumber, the 2x4 plank. The pendant's wooden body is wrapped in luxurious leather and accented with metal end caps, elevating the simple expression. An integrated LED runs along the length of the pendant, making it a natural fit above a dining room table or countertop.

Shown in blackened steel / black leather
