Astraia Chandelier By Corbett Lighting

Description

Resembling celestial bodies in the sky, the sparkling Astraia Chandelier suspends elegantly from the architecture of a room. Swooping in different directions, the delicate Vintage Brass stems create an evenly scattered composition with 9 Remolino Blanco glass globes. The choice between multiple stem sizes results in a bespoke appearance with a more tightly arched or rounded silhouette. The swirling effect of the handblown glass complements the fixture, emphasizing its artisanal nature.
