Ala Wall Light

By Corbett Lighting

DAMP

Description

Inspired by an asymmetric earring, the single-light Ala Wall Light serves as jewelry for a room. Creating a loop at the top, the graceful metalwork converges at a suspended oblong glass shade that hangs like a bead on a string. The Vintage Brass finish of the metalwork glows with warmth when illuminated by the energy-efficient LED light source. Dimmable via Triac or electronic low voltage (ELV) dimming.

Shown in vintage brass / opal
