Riviere Wall Light By Corbett Lighting

Description

Inspired by Noz Nozawa's stackable ring, the Riviere Wall Light features a classic silhouette accented by striking details and powered by energy-efficient LED. An organic, pod-shaped head encases an ice onyx disc within a bezel setting reminiscent of the way a gemstone is set into a ring. Finished in Vintage Gold Leaf, the distinctive chain link suspending the shade adds another jewelry-like element to the design.

Shown in vintage gold leaf / ice
