Zeme Chandelier By Corbett Lighting

Description

Reminiscent of a chunky, individual chain link or a beautiful modern earring, the Zeme Chandelier is instantly recognizable as a creation of Noz Nozawa. The simple yet exaggerated silhouette feels new and fresh yet understandable. The integrated LED light introduces a touch of innovation, while the etched cloud glass and Vintage Polished Brass finish nod to vintage glamor. Dimmable via Triac or electronic low voltage (ELV) dimming.
