Cabochoon Belvedere Wall Sconce By Hammerton Studio

Description

The Cabochoon Belvedere Wall Sconce brings a sculptural fusion of style and light to your interior space. The smooth frame is complemented by a gemstone inspired, artisan blown glass diffuser that is capped, casting warm shadows of light across your room. Available with a natural stone or marble cap or a sleek matching metallic cap. Due to the natural veining of marble and travertine, no two caps will be identical lending to the handmade nature of the item.
