Cypress Linear Multi Light Pendant By Hubbardton Forge

Description

The Cypress Linear Multi Light Pendant is inspired by the clean classic lines of aqueducts and arches. The smooth Seeded Clear glass acts as the monolith of light, contrasting with the rough inner steel edges that sparkle when lit. Sloped ceiling adaptable one way to 45 degrees. Handmade to order by skilled artisans in Vermont, USA. Lifetime limited warranty. Note: Due to the weight of this fixture, additional ceiling support is required. Note: The unique clear seeded glass varies with no two panels being identical.
