Pawtucket Ceiling Light

By Hudson Valley Lighting

Description

The artful dome Pawtucket Ceiling Light is designed to cast light upwards to create a warm and welcoming ambiance in a space. Featuring a delicate swirled effect, the cloud glass shade is suspended from a cone-shaped Aged Brass canopy. A flipped finial underneath the shade mirrors the same design language on a smaller scale. The resulting fixture is celestial and serene, creating an atmospheric glow.

Shown in aged brass / cloud etched glass
