## Description

Machine precision and slim LED profiles provide a sleek update to an iconic mid-century silhouette in the Maynard Chandelier. Glass ornaments, hand-blown from either seedy opal glass or seedy etched glass, stack in totemic formations along the slim arms of this chandelier. An Aged Brass finish elevates the fixture, balancing the playfulness with a note of luxury. Dimmable via Triac, electronic low voltage (ELV) or 0-10V dimming.
