Landscape 12V Path Light

By Kichler

Description

The 12V Landscape Path Light is designed to take on the elements of the outdoors. The electrical components are fully sealed under a polycarbonate lens using a ribbed gasket which provides an even, watertight seal to the lens. It also features a solid aluminum construction for a robust stake-to-stem connection and a streamlined design to coordinate with a wide variety of exterior home styles. Includes two gel filled wire nuts, and one 8 inch slotted ground stake. Note: Required 12V transformer and optional accessories sold separately.

Shown in textured black
