Sycara Chandelier

By Kichler

Description

Inspired by the light pillars of ice crystals in the sky, the Sycara Chandelier is pure sophistication. When illuminated, the octagonal-shaped crystals generate a light play on the ceiling and walls. Each LED faceted crystal rod elegantly balances on an arm, with a slight overhang, drawing the eye and stimulating the senses. Compatible with most standard incandescent dimmers, LED dimmers, and electronic low voltage dimmers.
