## Malene Two Tier Chandelier

By Kichler

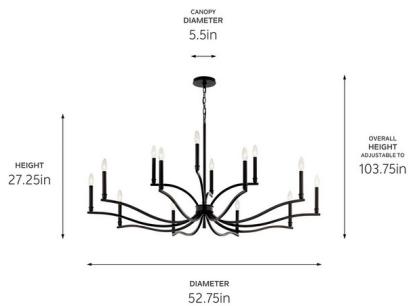

### Description

The Malene Two Tier Chandelier is inspired by the graceful movement of rippling water gentle, flowing, and captivating. These characteristics come to life in its soft, sweeping arms and elegant, stacked details. Includes two different candle sleeves, white for a contrasting, traditional look or the matching finish for a modern look. Delicate details on the sleeve holder complement its low profile.

Shown in black
