Daphine Cloe Desk Lamp

By Lumina Italia

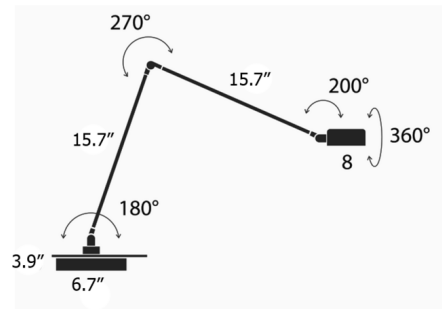

Description

The Daphine Cloe Desk Lamp is based on Lumina Italia's classic Daphine Desk Lamp, a timeless synthesis of function and form with a pivoting diffuser mounted on an articulated arm. Daphine Cloe replaces the technical look of the original model's base with a sleek, semi-circular base. This update gives the lamp a clean, contemporary aesthetic perfect for an office or on a bedside table. On/off switch located on base.
