Daphine Cilindro Desk Lamp

By Lumina Italia

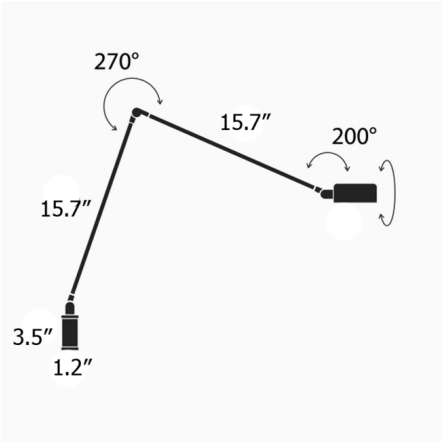

CE

Description

The Daphine Cilindro Desk Lamp is based on Lumina Italia's classic Daphine Desk Lamp, a timeless synthesis of function and form with a pivoting diffuser mounted on an articulated arm. Daphine Cilindro replaces the technical look of the original model's base with a sleek, cylindrical through-table base. This update gives the lamp a clean, contemporary aesthetic that also conserves space on the desktop, perfect for an office environment. On/off switch located on base.

Shown in matte yellow
