Tia Modular Pendant

By Lumina Italia

Description

The Tia Modular Pendant features a turned aluminum dome shade for a simple, balanced expression that will complement a wide variety of interior styles. The dome houses an integrated LED light source with a photo-etched brass foil filter provides optimal light distribution while reducing glare. The pendant can be fully disassembled into recyclable components, making it sustainable as well as stylish. Note: The ceiling canopy is not included and must be purchased separately. A maximum of 4 pendants can be suspended from one canopy.
