Parel Chandelier

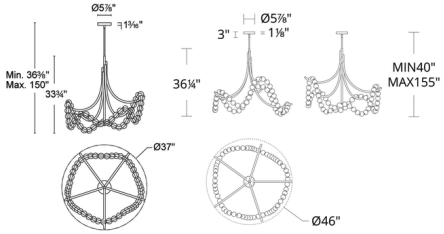

By Modern Forms

Description

Like a stunning collection of pearls on a string, the Parel Ceiling Light exudes timeless elegance. Spanish alabaster beads are draped over swoping arms to create the airy, asymmetrical form. A seamless line of LED along the entire strand lights each stone bead from within. Dress up your entry, dining room, or even bedroom with this delightful piece. Dimmable via Triac, electronic low voltage (ELV) or 0-10V dimming. Note: This fixture weighs more than 50 lbs. and requires a junction box approved for up to 75 lbs. or it needs to be supported independently of the junction box.
