Chaos Square Multi Light Pendant

By Modern Forms

Description

The Like piano keys falling through the air, the Chaos Square Multi Light Pendant freezes a moment in time with breathtaking elegance. Ultra-thin powered aircraft cables stabilize the suspension, holding everything in place with as little visual interference as possible. Each section of this sculptural form is equipped with consistent, highly efficient LEDs for refined illumination throughout. Dimmable via Triac, electronic low voltage (ELV) or 0-1V dimming. Note: 25 and 41 require a junction box for fixtures weighing over 50 pounds.

Shown in black / brass / white
