Guise Ceiling Light

By Vibia

Description

The Guise Ceiling Light features an edge-lit glass shade, where light passes through the shade and only emerges through etched striations around the rim. This manner of illumination creates an ethereal expression where the light seems to appear from nowhere. Guise is crafted from borosilicate glass, and it is typical for small air bubbles and scratches to appear without affecting the quality or strength of the glass.

Specifications

COLOR	Clear
BODY FINISH	Graphite
WATTAGE	18W
DIMMER	0-10V
DIMENSIONS	15.75"W x 11"H
