Palma Wall Sconce By Vibia

Description

Inspired by the natural world, the Palma Wall Sconce combines light and vegetation to create a serene, organic aesthetic. The sconce's slim linear frame holds a trio of globe shades to provide warm, diffused illumination. A half-dome planter at the bottom of the fixture provides a perch for a potted houseplant to add a verdant accent to the design. Includes cover plate for standard US junction box (not pictured). Note: Plants are not included. Because the fixture is not rated for protection against splashes, it is recommended to use a hydration gel or to pot the plant in a plastic liner pot and remove it from the fixture for watering.

Specifications

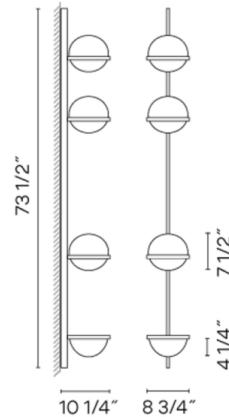

COLOR N/A
BODY FINISH Graphite Grey
WATTAGE 27.6W
DIMMER 0-10V
DIMENSIONS 10.25"W x 73.5"H x 10.25"D
