North Floor Lamp

By Vibia

Description

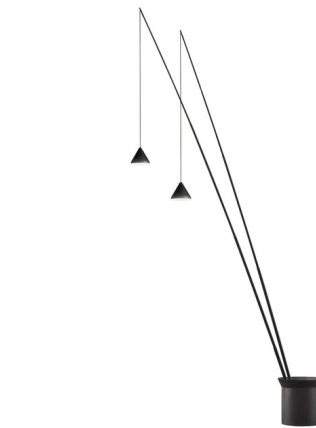

The North Floor Lamp provides light precisely where it is required thanks to its adjustable arms, which can be raised or lowered to a variety of heights and angles. Each arm supports a conical aluminum shade suspended from a slim cable for an elegant, minimal look. Black stones are included to place in the base as a decorative accent, while also serving as a counterweight. Dimmer push button located on base. May be installed as a plug-in or hardwired fixture (UL certified only when used at 120V).
