Avila Ceiling Fan with Light By Visual Comfort Fan

Description

Designed with a simple profile that integrates well into contemporary and transitional settings, the Avila Ceiling Fan with Light is perfect for bringing a fresh breeze and illumination to bedrooms, living rooms and enclosed patios. The 60 inch fan features a DC motor for powerful yet quiet and energy-efficient operation. A cover plate is included for use without the light kit. The included handheld remote control with wall cradle enables motor on/off, 4 speeds, and light on/off with dimming. Fan direction can be reversed using a switch on the fan. Optional controls and accessories are sold separately. Note: Some finishes are not available in every size.
