Harris Smart Ceiling Fan with Color Select Light

By Visual Comfort Fan

Description

The Harris Smart Ceiling Fan complements any setting, its gently curved ABS blades in stunning finishes and sleek profile offering chic modern charm. Place it in your indoor or covered outdoor space to add warm ambient lighting and refreshing airflow. Equipped with an integrated LED light and DC motor, the fan delivers quiet, energy-efficient performance. Color temperature of the light (CCT) can be adjusted to 2700K, 3000K, or 4000K. The Harris integrates seamlessly into your modern lifestyle, controllable through your smart home system or phone. The Bond Home app enables fan speed adjustment, breeze mode, scheduling, fan grouping and other convenient functions. Compatible smart home systems includes Alexa, Google Home, SmartThings, Control4, ELAN and Hubitat. A hand-held remote control with wall cradle is included and enables motor on/off, 6 speeds, forward/reverse, light on/off, dimming down to 10%, and color temperature selection. Optional accessories are sold separately.
