Fielle Wall Sconce

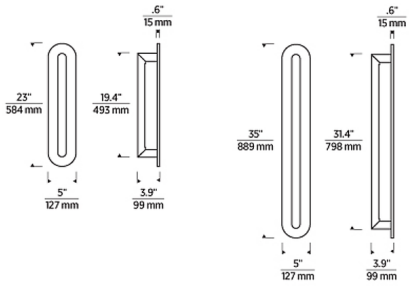

By Visual Comfort Modern

Description

The Fielle Wall Sconce is a nod to postmodern design, combining clean geometries into a distinctive, minimalist profile. Its integrated LED module emits a glow towards the wall, providing warm indirect lighting suitable for contemporary bedrooms, living rooms, and hallways. TRIAC, ELV, and 0-10V dimmable. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.

Shown in soft white

Specifications
