Fielle Table Lamp

By Visual Comfort Modern

Description

The Fielle Table Lamp exhibits clean, modern geometries and intersections in a pared-down design fitted with LED technology. Light is emitted upwards from a slim tube and reflected off a flat plate to illuminate your space. With its unusual minimalist silhouette, the Fielle becomes a distinctive accent piece for your contemporary bedroom, home office, or living room. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
