Pressa Round Outdoor Wall Sconce

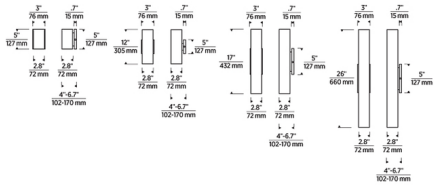

By Visual Comfort Modern

Description

The Pressa Round Outdoor Wall Sconce offers a modern, architectural aesthetic with its smooth cylindrical shade and rectangular backplate. A powerful LED uplight and downlight are emitted through etched glass diffusers, washing the wall in a soft glow and providing ambient illumination for walkways and other outdoor settings. Die-cast aluminum construction, a powder coat finish, and stainless steel hardware ensure durability against harsh outdoor elements, suitable for residential, hospitality, or commercial applications. 0-10V, ELV, and TRIAC dimmable. Note: Requires a 2 x 4 inch junction box.

Shown in black
