Stagger Floor Lamp

By Visual Comfort Modern

Description

The minimal Stagger Floor Lamp seamlessly blends into the architecture of your space. Its narrow head conceals an integrated LED light source that provides stunning downward illumination, and it can be rotated to aim the light. This embodiment of contemporary lighting is ideal for your work space or living room. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
