Grace Chandelier

By Visual Comfort Modern

Description

The Grace Chandelier presents a distinctive modern look with its double ring suspension. The inner metal ring houses LEDs that cast upward and downward lighting to provide soft ambient illumination. The wooden outer ring adds a warm, organic touch to the design. Place this fixture in a foyer, dining room, or living room to add a layer of light with contemporary flair. Dimmable with TRIAC and ELV dimmers. Choke ring shown in images is optional and may be installed without it. Note: 3500K is available in limited size and finish combinations.

Shown in natural brass / weathered oak
