Cathedral Pendant

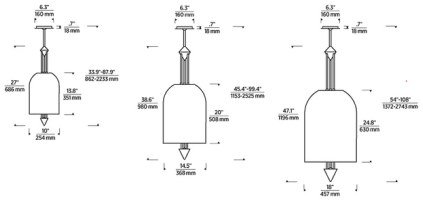

By Visual Comfort Modern

Description

The Cathedral Pendant is inspired by mid-century modern design and enhances any interior space with its chic style. The ethereal, precious nature of the clear hand-blown glass shade is balanced by a sleek assembly of metal rods that support the fixture. LED light shines up and through the glass, providing ambient illumination for dining areas, kitchen countertops and living rooms. TRIAC, ELV, or 0-10V dimmable. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
